

Parents in Partnership

Year 5 :

Date set: 23.2.18

Date due in: 28.2.18

This week we have been learning:-

English: We have been reading different poems about the moon and space. We have looked at the imagery in the poems including similes, metaphors, personification and alliteration. We have been identifying these features and have started to use them too. We have performed them with partners to the rest of the class.

Spellings: We have learnt about the suffixes -ant, -ance and -ancy and how they can be attached to root words eg hesitant, hesitancy and hesitance.

Maths: We have been learning how to add fractions with the same denominator and with different denominators. This involved finding the common denominator to work them out.

Homework Tasks.

English:

Find a picture that interests you. Make sure it has plenty of things in it that you can write about. Print it out and stick it in your book.

Write at least 6 sentences about the picture including at least 2 with similes, 2 with metaphors and at least 1 with another form of imagery.

Maths:

Answer the questions on the sheet.

Extreme Reading, Caught Writing

My child's response to the tasks.
