Autumn Week 3

Year 1

As we approach the end of our third week the children are settling into their routines and starting to become more independent.

I am pleased to let you know that Tapestry is back and we are ready to receive messages and photos! It is exactly the same as last year so please do share any homework or exciting news via Tapestry and I look forward to hearing from you. Please would you be so kind as to let the office know if you need any assistance with login details.

English and Maths homework has been set for your child on IXL and details for this week's work are shown below.

Well done to everyone who has had a go this week.

Can I also apologise, I was trying to be organised and set this week's homework on Tuesday ready for Friday, however, in doing so everybody who logged in on Tuesday evening thought there was more homework! I am so sorry for the confusion and in future I will just upload it on the Friday, I will also add the link to the PiPs letter each as you will see below. I guess we are all getting used to using these systems!

Thought for the Week

This week our liturgy was based around the Gospel Value of kindness. Please discuss this with your child and ask if they have any examples of showing kindness to others this week.

School Council

Next week we will be voting for our two school councillors for Year 1. Please talk to your child about whether they wish to be considered – and to think of reasons why they think they would make a good school councillor.

Maths

In maths this week we have been finding one more than, one less than and starting to compare numbers.

Maths Homework

IXL Homework C8

TT Rock Stars do have a go at your 10 times table (this is ongoing, each week try to spend a little time practicing.)

Literacy

This week in class the children have been learning about sentences, using capital letters and full stops and thinking about good word choices.

Phonics

We have been recapping the following sounds y, z, zz and qu. Next week in your child's book bag we will put a set of all the phonics they have learnt previously and each week we will add the sounds of the week for you to practice at home with your child.

REMINDERS AND IMPORTANT INFORMATION

Well done to everyone who has labelled their PE kit and jumpers etc. it is now much easier to find the correct owner. Could we also ask that every child has a labelled drinks bottle every day?

I know the children are busy making things and exploring for their topic homework which is fantastic, just before half term we will have a day where we invite the children to bring in things that they have been working on, we will confirm the exact date in the near future but it will be in the final week of this half term.

Thank you so much and have a lovely weekend. Mrs. Batten, Mrs. Wilkins and Mrs. Gardner
