

Parents in Partnership

Year 4:

Date set: 13:9:19 Date due in: 18:9:19

- Week beginning 9th September.

Another slightly disrupted week as the wasps kept coming in, so we moved back to the ICT suite so that everyone was safe.

The 'wasp man' came back on Wednesday afternoon and we will be back in our own room from Monday.

This is what we have been learning this week.

Maths	English	RE	Topic
We have been understanding the place value of numbers up to 10,000 by putting them in the correct place on a number line.	We have looked at a variety of different persuasive leaflets and texts to find out what their purpose is and who would read them.	We have read the Bible passage that tells us about God's creation on man. We have discussed and understood what 'in the image of God' means.	Our topic this term is 'Teeth, Saliva and Faeces'. We started off by using a mirror to look at and draw the different types of teeth we have in our mouths and comparing them to different animals.

Homework Tasks.

Task 1:

Find an example of a persuasive text (the information centre or library would be a good place to look). Decide who would be the audience and explain why you think this. Highlight the features you can find on it.

Task 2:

Write the following numbers in words.

312

2871

5034

7602

Write down 3 more 4 digit numbers in words and digits.

My child's response to the tasks.
