

Parents in Partnership - Friday 15th June 2018 Year 3

Our learning this week:

Maths: This week we have been looking at angles - what they are, where they are found, comparing angles, as well as continuing to consolidate addition and subtraction skills, and clock times with Mrs Tonkin.

English: This is our second week reading and analysing poems; your children have amazing imaginations and have created some rich imagery in their own poems this week, so you may like to ask them about the 'winding road' poem and one about colours! In grammar, the children have been practising using question marks and exclamation marks appropriately in their writing.

Spellings

This week the focus has been on spelling words ending with an /zhuh/ sound spelt 'sure' :

treasure	leisure
measure	exposure
pleasure	pressure
enclosure	composure
closure	fissure

OUR WEYMOUTH TOPIC

This week has seen the children decide which aspects of Weymouth and Portland's history they would like to tell you about at next week's class assembly. This has involved using the internet to research their specific time/landmark.

Other News

We have a class assembly coming up on Wednesday 20th June at 2.45pm. We hope you can make it – please put it in your diaries!

RE - Our focus on different faiths has started by looking at the origins of Judaism and discussing the rules known as the Ten Commandments with Deacon Geoffrey. In addition, they have been finding out about Jewish holy artefacts, and written their own special prayers to God.
