

### Updates:

I am looking forward to seeing you on **Thursday 19<sup>th</sup> September** for our 'meet the teacher' session. We will go through some key information for year 3 including topics, possible trips and other useful information.

### Maths

This week we have been doing 1, 10 and 100 more and less. You can choose to do one star, two star or three star this week- or challenge yourself to do all or two levels!

Using the numbers below find:

1 more and 1 less

100 more and 100 less

10 more and 10 less

453

831

143

799

205

657

### English

In English we have been doing settings descriptions. I have really enjoyed reading the fabulous descriptions you have written in class! I would like you to write a setting description paragraph for your favourite place. This could be your garden, favourite park or a room in your house!

Can you:

- Use the 5 senses in your description?
- Use powerful adjectives?
- Help your reader to imagine your place?

### RE

The children have been thinking very deeply about God's creation and how we can help to make it a better and cleaner place. We have been making promises that we are going to try and keep to make sure we are doing the best for our planet.

### Topic

We are continuing our animal topic this week and we have been doing some wonderful sketching. We have been looking closely at the eyes of different animals. We have looked at the shape of their eyes and had a go at sketching them. They have come out really well!

### Spellings

This week we will be looking at the spelling rule where the 'i' sound is spelt with a 'y'. The five spelling rule words are:

- Gym
- Myth
- Symbol
- Mystery
- Lyric

There are 5 other words in your book from the Common Exception words list! Please use the little yellow book to practice these- we will test spellings on a Wednesday Morning and write in the score with which ones were correct.

### Times Tables

A lot of you are showing brilliant confidence with your 3 times table. Well done. Keep practicing this times table! If you want a challenge try and practice them out of order, write them out backwards or get a grown up to test you on them!!
