

Parents in Partnership

Year 5:

Date set: 21:6:19 Date due in: 26:6:19

This week we have been learning:-

English: We have used our knowledge of adjectives, adverbials and noun phrases to describe a character from a book.

Spellings: This week's spelling pattern was the prefixes 'de' and 're'. Next week's spelling pattern is the prefix 'over'.

Maths: We have continued our work on perimeter and area and used it in real life worded problems.

Science: We had a great afternoon on Thursday looking at all the baby photos and trying to work out who they were. Some of them were easier than others. Please note that all the photos were given back to the children on Thursday. Please make sure you give them back.

Homework Tasks.

English:

During your reading this weekend, find a passage in your book that describes a character. What type of words are used? Give examples of how you know about that character. Also - how is the setting described? Find a good example of a setting description.

Make sure you read at least 3x a week and ask an adult to sign your reading record.

Maths:

Draw 2 rectilinear (a shape made of 2 or more rectangles) shapes accurately with a ruler. Calculate the area and perimeter of the shapes. Show all your working out in your book.

My child's response to the tasks.

Extreme Reading, Caught Writing
