What are your hopes for Year 5?  
Why not tell Mr Trevett?

RE: Another set of Gospel Values to consider today. Why do you think I put these ones together?

WAGBAT: understanding the values of justice, courage and forgiveness.

Discuss with an adult why you think I put these together – don't worry you can't be wrong.  
Make sure you know what they all mean.

Watch this short video and, thinking about today's Gospel Values, decide why I might be asking you to watch it today.

English:

WAGBAT: creating a profile of ourselves including the most important information.

Today I would like you to think of all the things you would say to Mr Trevett to introduce yourself.

What do you think you might need to include?

Name? Age? Birthday? What you like to do? Pets? Important people?

Maths:

WAGBAT: revising topics we have learnt this year.

Negative numbers.

Negative numbers are numbers that go below 0. The most usual place that you will see them is when the temperature goes below freezing in the winter.

They are written with a minus sign in front of them eg -5 or -13.

Ask a grown up to check them for you.

<b>Topic:</b> <b>WAGBAT: being creative.</b> Today I would like you to think of music to go with your play. All good movies and TV programmes have music to help convey the atmosphere of the drama. Look up films or programmes you enjoy and listen to the music. When it is scary, the music changes and becomes more dramatic. But when it is safe the music is much lighter and less intense.		
<b>*Task</b>	<b>**Task</b>	<b>***Task</b>
Create some music for your play. Perform it.
