### Topic

This week we will be  
making floating crafts.  
Please can you bring  
into school as many  
bottle lids as you can  
and any small twigs and  
sticks you can collect?  
You can also bring and  
old clean lollipop sticks.

In literacy we are learning  
about homophones. These are  
words that sound the same but  
have different spellings and  
meanings. Can you write three  
sentences using the  
homophones **there, their and  
they're**. Each sentence needs  
to contain one of these  
homophones to show you  
understand how it should be  
used in a sentence.

Maths Once we know our times-tables we also know  
the related division facts. Test yourself, how many  
do you know? See how quickly you can write the  
correct answers.
