Summer 1 Week 3

Name

(Y6)

REVISION

Maths

This week we have revised most topics learnt across the year. We have looked at measures, shape, angle rules, problem solving and arithmetic. The children are doing so well are completely ready to take their SATs next week! They'll do brilliantly!

Literacy and Topic

Literacy

This week we have started explanation texts. We have been looking at the features and then designing our own machines to write an explanation text for.

Spelling and Grammar

Similarly, to maths we have spent the week revising topics that the children found tricky in the mock tests.

Again, they have done exceptionally well and they should be proud of themselves!

HOMEWORK

This week I have not set any formal homework. The children have their CGP books and can go through any pages that they wish to in order to revise for next week. I would advise that they have a relaxing weekend with lots of sleep ready for busy week ahead.

Please can I remind you all that the SATs do not test how fabulous the children are as individuals and are simply a snapshot of what they know. They are nothing to be worried about! Mrs Smith and I know just how hard the children have worked and couldn't be more proud of them!

Have a lovely weekend!

REMINDERS AND IMPORTANT INFORMATION...

Next week - breakfast club in Y6 - toast and juice available from 8:40 - 8.55)

Monday - SpAG paper and Spelling Paper

Tuesday - Reading paper

Wednesday - Arithmetic Paper 1 and Reasoning Paper 2
