

Number Work

This week in Maths we have been continuing to solve division problems. This week we have been learning to divide by 10. Can you work out the division problem below? Show your working out.

Tom has 90 toy cars. He gives them to 10 of his friends. Each friend gets an equal number of cars. Write the division sum below:

Each friend gets cars?

Challenge: Can you write your own word problems for dividing by 10?

Writing

This week we have been looking at monster poems! During our lessons we have been looking at adjectives to describe how a monster looks. For homework I would like them to think about adjectives to describe HOW a monster moves. Write 3 adjectives below.

- 1.
- 2.
- 3.

My child's response to the tasks.
