<u>Year 1 - Brilliant Britain - Topic Home Learning</u>

Here are some fun activities for you to take part in with your family. This can be sent into school via Google Classroom or can be brought into school each Friday morning. We will be sharing any learning together each Friday afternoone and we will be creating a display outside our classroom that will showcase all of your hard work.

Have fun!

Miss Mayes and Mrs Harrop

Give the children spoons and salt. Ask them to find out how may spoonfuls of salt it takes to make the egg float.	Salt 2 eggs	your own instrument?	MdN5nNM†Co	
 Put 1 spoonful of salt into the water bowl and stir. Then test the egg. 				Use "How to" in the title Lists (e.g. materials/ingredients/equipment)
5. Repeat step 4 until the egg floats.				Numbers/letters or bullet points to show order Imperative verbs (e.g. mix/stir)

We will be learning about animals that live in the sea this half term.

Your task is to choose your favourite sea animal, draw a diagram of it and label the features of the animal e.g. fin, gills etc.

CHALLENGE: can you explain what the features are for? (extra 5 house points)

Join in with this dinosaur yoga! https://www.youtube.com/watch?v=rnlD
