

Parents in Partnership

Year 2

Date set: 28.09.2018 Date due: 04.10.2018

This week in English we have written some fantastic stories about the Enormous Crocodile and have tried really hard to use the correct punctuation.

In maths we have started working on addition, and have learnt some different methods to help us such as counting on from the largest number, partitioning the number (eg. 23 into 20 + 3) and adding multiples of ten.

In RE this week we have been learning the Creation story and have been thinking about the actions of Eve in the Garden of Eve.

In science we have been into the school grounds to find different micro habitats full of minibeasts!

Homework Tasks

Spellings: We will be looking at words where the sound "j" is spelt with "ge" and "dge."

Words to learn this week:

badge
edge
bridge
change
huge

Your child has also been given a list of FIVE extra words to learn, taken from the common exception words for Year 1 and 2.

Maths: Practise the 5 times table - the children will be tested on Friday 12th October.

Reading: It is lovely to see the children reading regularly at home - thank you for all of your help with this. Remember to use the questions at the front of the reading journals to check that your child has understood what they have read.

Science: Go on a minibeast hunt and record your findings on the worksheet.

My child's response to the tasks.

Extreme Reading, Caught Writing
