

Maths

This week we have been working on adding three digit numbers. Choose a star and have a go at the calculations. Remember to use the column method and start by adding the ones.

$236 + 136$

$325 + 219$

$123 + 328$

$319 + 329$

$437 + 247$

$494 + 291$

$244 + 282$

$231 + 495$

$456 + 251$

$483 + 274$

$298 + 124$

$485 + 187$

$563 + 157$

$674 + 297$

$549 + 288$

Challenge: Write a worded problem for each calculation you have done!

English

This week we have been looking at using speech marks and the right punctuation for direct speech. Rewrite these sentences about Fantastic Mr Fox into your book with the correct speech marks and punctuation. Have a go at one or all three challenges!

Here is an example:

"This is a lovely garden," shouted Ben.

- 1) It is so cold in here said Mr Fox.
- 2) We need to get some chickens too said Little Fox.
- 3) Don't forget my turkey Badger said.
- 4) Lets get back for the feast said Rabbit.
- 5) Well done Mr Fox said Mrs Fox.

CHALLENGES: 1) improve the word said 2) Can you add adverbs (-ly) to tell the reader how the animal is saying their speech? 3) write an exclamation and questions in direct speech.

RE

We have started a new topic this week, Prayers, Saints and Feasts. The children have already come up with some wonderful questions and are enjoying learning about different bible stories related to the topic.

Topic and Science

We have been looking at food groups and the children have been brilliant and discussing which foods help our bodies and how. This week we will relate this to our topic and look at the diets of different animal groups.

Spellings

This week we will be looking at the 'sh' sound spelt 'ch'. Here are the 5 rule words:

Chef

Machine

Parachute

Brochure

Chalet
