

Earth Year 4 Spring 2 2021/2022

	A - Geography	B - Art/DT	C - Science	D - Literacy
2 points	Find out about a village in a neighbouring county to Dorset.	Draw a sketch of a village.	List the ways in which sound is crucial to your everyday life.	Create a list of the cities/towns/villages in Dorset.
5 points	Find out about a specific village and what makes it special.	Create a collage that shows the differences between rural and metropolitan landscapes.	Complete some research about the way sound travels through different materials and create a leaflet or presentation.	Write a poem about rural life.
10 points	Write about all the human and physical features of a village vs those of a big city.	Find out about different materials used to illustrate rural life in art and explore techniques used in a piece of original artwork.	Research sound waves, create a fair test to answer an enquiry question of your choice and carry out the experiment, recording your findings.	Create a book for a reception child about our local area and the human/physical features of our town.

You can choose which activities you do from this grid.

You must complete an activity from each area (A-D) and you must complete at least 35 points.

Obviously, we would love it if you did more!

You will be asked to bring your work into school in the last week of half term, so make sure that you don't leave it until the last minute. You will get the chance to show your work to the rest of the class.

Have fun with your learning! ☺
