

Parents in Partnership

Year 4 Class Newsletter

Tudors,

We have been finding out about the diets of rich and poor Tudors. Tudor explorers introduced many new foods to England during this time. Can you make a list of foods that were brought back to England and became popular for Tudors to eat and that we still eat today?

Spring Week 19

English

We have been learning about recycling for our explanation text writing. Your homework this week is to research recycling both locally and nationally. Make a list of ten facts about recycling you have found out. This information will be used when we do our explanation writing in class.

Spellings

Children will be tested on Mondays

We have changed the way we are setting spellings. The children will all learn the first 5 spellings but then the next 5 will depend on the spelling group they are in. These groups are not fixed and your child may move between the groups depending on how they are doing in the tests. The results to their tests will be sent home every week so you can see how they are doing.

Maths

This week's homework is to complete the calculations on the sheet and stick the sheet into their homework book. Your child will have chosen the level of work they feel able to complete. There are 6 levels to choose from.

All children

creation
vibration
indication
abbreviation
demonstration

Red Group

Year 1-2 words

beautiful
hold
told
gold
cold

Yellow Group

Year 3-4 words

arrive
busy
business
group
popular

Blue Group

Year 5-6 words

occupy
recognize
sacrifice
bargain
mischievous

Please can your child also continue to learn the words they still need to be able to spell from their individual test results? The children will be tested again, on all words from the Year 1-2, Year 3-4 or Year 5-6 high frequency word lists at the end of this term. Lists of results have now been sent home.
