Year 4 Class Newsletter

Autumn Week 8

Ancient Egyptians

We have used Hieroglyphics to write our names in class. The Egyptians wrote on papyrus paper. Can you find out about it and then write a hieroglyphic message on papyrus looking paper to be displayed in class? Be creative and carefully decorate your work like the Egyptians would have.

English

Pronouns are words used to avoid repetition of names, nouns, when writing. Can you write three sentences using some of these pronouns: we, us, you, him, it, me, I, she, they and her?

Spellings

Children will be tested on Mondays

We have changed the way we are setting spellings. The children will all learn the first 5 spellings but then the next 5 will depend on the spelling group they are in. These groups are not fixed and your child may move between the groups depending on how they are doing in the tests. The results to their tests will be sent home every week so you can see how they are doing.

Maths

This week's homework is to find the fraction of given shapes. We have just begun work on looking at hundredths and tenths.

The suffix -sion is added to root words ending in 'se', 'de' or 'd'. Adding the suffix changes the root word, which was a verb, into a noun.

Can you find any other words that end -sion?
