Hand out: 5.2.2020 Due in: 11.2.2020

Maths

This week we have been looking at volume and capacity where we have been focusing on litres and millilitres.

I would like you to go into your kitchen and look at different food products, measuring jugs and packets to find out how much volume/capacity they have in them.

Remember: **Capacity is the maximum amount something can contain.**

English

We have continued this week looking at persuasive language. Choose one of the places below and have a go at writing 3 persuasive paragraphs to try and get someone to visit there.

- **Portland Bill**
- **The Sealife Centre**
- **Weymouth Beach**
- **The Swimming Pool**
- **Bowleaze Cove**
- **Sandsfoot Gardens**
- **The Nothe Fort**

RE

Well done to everyone for the lovely Psalms that you wrote on Friday. Mrs Evans was blown away by some of the metaphors and language that you were using. They were truly lovely to read.
