Summer 1 Week 1

Name

(Y6)

Welcome Back

Maths

This week we have been revising the topics of ratio and proportion and using our understanding of fractions, decimals and percentages to help us unpick ratio and proportion problems. In addition to this we have revisited solving multi-step word problems, reminding ourselves of the top tips on how to solve them.

Literacy and Topic

Literacy

In we have been writing stories focussing on developing character, setting and atmosphere and integrating dialogue to advance action in the story. We have based our stories around a short film called Alma from the Literacy Shed.

Spelling and Grammar

Our SpAG this week has again been revision focussed. We have revised determiners (that introduce a noun, preposition of time and place, pronouns and possessive pronouns and the different tenses.

The tenses include:

- Simple past, present and future
- Progressive/continuous tenses - formed using verb+ing
- Present perfect - started in the past but still happening/relevant now - formed using have/has been verb+ing.

HOMEWORK

Please note that any 'growing green' in the homework books needs to be looked at again. If the children need help with this, they can of course ask Mrs Smith or myself or come along to homework club for support.
