

Parents in Partnership

Mr. Brown, Mrs. Chase and Mr. Hobby would all like to wish you and your families a truly peaceful and joyful time over this festive period. Your children have worked extremely hard this term and we are all looking forwards to even more success in 2019.

Autumn Week 15

English

The children have all been retested on all the statutory spellings they have been learning this term. They have been given a copy of their results and we will be working on the ones they still need to learn next term.

Over the holidays, it would be very helpful for them if they could have a go at learning some of the spellings they still need to secure in Year 4.

Times-tables

The children have been retested on their times-tables last week and there has been some excellent personal progress. We have sent home the results and again any free time could be spent securing any table facts that they are not able to instantly recall. This is very important for their future progress
