This is what we have been learning this week.

Maths	English	RE	Science
We have been multiplying numbers by 10 and 100.	Following on from our wonderful visit to see Michael Rosen. We have been reading and performing poetry. We have watched Michael on his YouTube channel and tried to copy his expressive example.	Following on from our work on Moses and the Burning Bush, we have thought of the signs of God that we see in our lives. We have created a map of the times and places that we see them.	We have been on a sound walk to see the noises that there are around the school.

Homework tasks will be set on Friday and will be due in on the following Wednesday.

Homework Tasks.

Task 1: Mrs Bladon has requested that you... Please write a book review of a book you have read recently. It could be a school book or a book you have read at home. Make sure you include a brief outline of the story, whether it is funny, serious, magical or scary, an idea of who it might appeal to, who you would recommend it to and why you enjoyed it. Write your review in sentences using your best handwriting. This will form part of Mrs Bladon's reading display

Task 2: In preparation for our work on Pantomime, collect together as many pictures as you can of different pantomime characters. Try to find male, female and animal characters. Look for different types of costumes - the Dame, the prince or princess, the ugly sisters, the villain (baddie) and anyone else who interests you. Please don't stick your pictures in your book as you will need them for our art work.
