Number Task: Spring 2 Week 1

Name

(Y6)

percentages

This week we have been learning to find percentages of given amounts and to solve problems involving percentages. We have also looked at decimal, fraction and percentage equivalence and how to work them out. E.g. $50/100 = 50\%$ which simplifies to $\frac{1}{2}$ and a half of one is 0.5.

TASK 1

In extension of our percentage work, this week the children have percentages to calculate and some word problems involving calculating with percentages to solve.

The children:

MUST - complete 3 columns of calculating percentages

SHOULD - complete 4 columns of calculating percentages

COULD - complete all 4 columns and solving the word problems.

Literacy and Topic

This week we have finished off our argument and discussion texts from before half term, edited them with a partner and written up our final draft in our portfolios for moderation. The children have been working hard to cover as many of the KS2 assessment framework targets as they can. These targets can be found on the school website under the assessment page.

TASK 2

Re-read "Endangered Species" and complete inference questions p29, word meaning questions p30 and summary and language questions p.31

Spelling and Grammar

Spelling

In spelling this week we have been revising prefixes. We have looked at 'un', 'de', 'im', 'in', 'il' and 'ir' and what they mean. We have then practiced using these words in context.

In addition to this we have been recapping on commonly used homophones (there, their, they're/ where, we're, were etc) and have created our own spelling banks to support us with using these words correctly in our writing.

Grammar

Following our test before half term, we began the week by reviewing the SpG paper and looking at common mistakes. We have then revisited different word classes in order to revise word types that are commonly assessed in the grammar paper. In particular we have focussed on verbs, adverbs, adjectives, conjunctions, pronouns, prepositions and determiners

TASK 3

For revision this week the children must complete CGP grammar page 19 on mixed practice, p.20 on sentences and p21 on paragraphs.

My child's response to the tasks.

Extreme Reading... Caught Writing...
