

Parents in Partnership

Year 5:

Date set: 1:3:19 Date due in: Eng 6:3:19

Date due in: Topic - 13:3:19

This week we have been learning:-

English: We have found out the difference between an autobiography and a biography. We have looked at different books and decided who might write one, why they might write it and who might read them.

Spellings: This week's spelling pattern has been words with the sound and spelling 'or' in them. Next week's spelling pattern will be words with the sound 'or' spelt 'au' as in 'pause'.

Maths: We have continued our learning about decimals this week. We have learnt how to add and subtract using numbers that have up to 3 decimal places

Homework Tasks.

Please continue with the Topic Homework about The Moon.

Thank you to those of you who have already handed this in. Remember though that your moon diary still has about a week or so to go.

This is due in on 13th March.

Don't forget - you can present your work in any way you like, as long as it shows your learning.

English:

We will be writing our own autobiography in the next couple of weeks.

Please find out some of the important dates and milestones in your life.

For example:- when and where you were born, when you learnt to walk, talk, first words, where you lived when you were born, whether you have moved house and when. How about when you started school? Any clubs you're a member of and when you joined them. Also anything important that has happened to you for example, being a bridesmaid or page boy, being in hospital.

You don't need to write in sentences - make a list. You will use this information when you do your work in class.

My child's response to the tasks.
