

Parents in Partnership.	Year 3.	
	Date: 2 nd October 2020	

Thought for the Week:
Integrity - always doing what you say you will do.

- Reminders:
1. Please make sure your child has their PE kit in school each day
 2. Please send the reading record in daily (even when it is not book change day) so that we can record any reading that we do with your child.

VOCABULARY CHALLENGE:
 In KS2, we are moving away from the 'Reads' challenge to the 'Vocabulary' Challenge. As your child reads, if they find a word that they don't know the meaning of, write it in their reading record, find out the meaning and then write the meaning as well. They will work towards badges in the same way as they did with the reads.

What we have been learning this week.			
Maths	English	Science/Topic	RE
We have been learning how to add 1s, 10s and 100s to 2 and 3 digit numbers. We have also learnt how to subtract them.	We have found out about letters and letter writing. We have written an informal letter.	We have learnt about the physical and human features of the British coast relating it to the work we have already done on rocks.	We have been reflecting on our learning and held a small class assembly to celebrate our new knowledge.
