

Parents in Partnership

Year 5:

Date set: 5:7:29 Date due in: 10:7:19

This week we have been learning:-

English: We have planned and written a story set in Antarctica. We have included description and dialogue

Spellings: This week's pattern was creating adjectives with the suffix -ful. Next week's pattern will be creating adjectives with the suffix -tive.

Maths: We have completed the work on volume and capacity and have learnt about negative numbers and Roman Numerals.

Homework Tasks.

Task 1:

Following on from the Fire Safety talk we had from Rosie yesterday, create an emergency escape plan for your house.

Discuss it carefully with your parents or grandparents so that they know why they need one and so that everyone knows what they should do if there is a fire.

Make sure that you include information like how to keep the smoke out of a room, when to call 999, what to do if someone's clothes catch light and which way to go out

Maths:

Look for examples of negative numbers and Roman Numerals.

Write down where you see them and what they are there for.

If you find Roman Numerals - can you turn them into Arabic numbers (our numbers)

Top tip for Roman Numerals: look at the end of TV programmes

My child's response to the tasks.

Extreme Reading, Caught Writing
