

Number Work

We have been continuing to look at word problems, using addition, subtraction, multiplication and division. The children have been trying to work out which method they need to use for each question. Please find 4 challenges below:

1. I had 15 pencils. I give 5 to Susie. How many pencils have I got?
2. I got 23 presents from my friends. Then I get another 12 from my family. How many presents altogether?
3. Each child needs 5 sweets. there are 10 children at the party. How many sweets do I need?
4. I had 30 sweets. I shared them between 5 of my friends. How many sweets did we get each?

Writing

We have been looking at Poems this week. The children have been trying hard to find some rhyming words to go into their poems. What rhyming words can they find out and about at the weekend?

Write them below:

My child's response to the tasks.
