

# Parents in Partnership

## Year 4:

Date set: 20.9.19    Date due in: 25.9.19

### REMINDERS

It is the Y4 class assembly on Wednesday 25<sup>th</sup> September.

A gentle reminder that children need a separate pair of trainers or plimsolls for PE.

Also, please take earrings out or provide tape/plasters for your child.

This is what we have been learning this week .

Maths	English	RE	Topic
We have continued with our work on place value by working out the value of each digit in a number.	We have been learning about plurals and possessive apostrophes. We have also been working out the difference between the two.	We have learnt about the story of when God told Abraham to sacrifice his son Isaac. We did this through drama to understand how they must have felt.	This week, we have followed up on the work on teeth by creating a lower jaw out of clay. The children had to look closely at the shape and size of the teeth.

## Homework Tasks.

### Task 1:

While you are reading, look for examples of apostrophes.

Write them in your book and explain why the apostrophe has been used.

Try to find at least 5 different examples.

### Task 2:

What is the value of the underlined digit?

273, 867, 901, 1745, 4933, 1604,  
27638, 6849, 7594, 17349

Look for some numbers in your house or as you go around. Write them down, underline one digit and tell me its value.

My child's response to the tasks.
