

Parents in Partnership

Year 5 :

Date set: 28:9:18 Date due in: 3:10:18

Our Class Assembly is on Wednesday 3rd October. Please come to support your child. Also, please could your child bring their evacuee costume to school on Wednesday for the assembly? Thank you.

This week we have been learning:-

English: In English we have been researching facts about the Evacuation of children during World War II. We have learnt how to make notes and included them on a plan for a non chronological report.

Spellings: This week's spelling pattern is -tious and -ious as in anxious and cautious. Ask your child how they got on in their spelling test. We have also been consolidating our knowledge of creating plurals

Maths: In maths, we have been learning about number sequences. We have learnt to look for how the pattern changes from each number and have learnt to fill in a missing number and continue the pattern.

Homework Tasks.

English:

Look in a book. Any book - I don't mind but you need to find as many different plurals as you can. Write them in your homework book and then write the singular of the word next to it.

Challenge: Can you find one of each of the 7 different ways plurals can be formed?

Maths:

Copy the sequences into your book. Fill in the missing numbers in the patterns. Write down the rule for each pattern and then write the next 2 numbers.

Choose which column you want to do but try to challenge yourself.
