

## Parents in Partnership

### Topic/English

Our final topic for this half term is called: rivers, seas and water. Last week we have our school sports day. Well done to all the children as they competed in a range of physical skills to win points for their house.

Can you write a short story or poem about sports or sports-day? Ten children in Year 4 have now received their handwriting pens and licences, for have a fluent and joined style of handwriting. Well-done!

### Spellings

Children will be tested on Mondays. We have changed the way we are setting spellings. The children will all learn the first 5 spellings but then the next 5 will depend on the spelling group they are in. These groups are not fixed and your child may move between the groups depending on how they are doing in the tests. The results to their tests will be sent home every week so you can see how they are doing.

Maths Times-tables results are being sent home. If your child still needs to learn some table facts please can you encourage them to practise? Towards the end of this term nationally all Y4 children will be tested on their times-tables and they are given a times-tables pencil once they know all 144 facts. This week we have tested the children again and the results will be sent home next week.

Please complete the sums on the back of this sheet and then stick it into your book ready to be marked.

Please can your child also continue to learn the words they still need to be able to spell from their individual test results? The children will be tested again, on all words from the Year 1-2, Year 3-4 or Year 5-6 high frequency word lists this week and results will be sent home next week.
