Spring 2 Week 1

Name

(Y6)

Welcome Back

Maths

This week we have been working on geometry. We've been learning about co-ordinates, translating and reflecting shapes on a full co-ordinate grid. The children have worked very hard and used these skills to solve some challenging reasoning problems.

Literacy and Topic

Literacy

In our Literacy we have started learning about persuasive texts. The children have written a persuasive letter to the governors this week asking for permission to go on a school trip to Florida! Some were very convincing!

We have also continued reading Pig Heart Boy and have followed Cameron on his journey to the hospital where he will have his operation.

Spelling and Grammar

For SpG this week we have revisited synonyms and antonyms in order to develop our vocabulary. We have also revised the rules for adding prefixes and suffixes as well as using, main, subordinate and relative clauses in sentences.

During our spelling lessons we have learnt the rules for -cial and -tial endings. For example:

- Cial comes after a vowel (e.g. special, artificial)
- Tial comes after a consonant (e.g. essential, potential)

HOMEWORK

Please note that any 'growing green' in the homework books needs to be looked at again. If the children need help with this, they can of course ask Mrs Smith or myself or come along to homework club for support.

Arithmetic	Pages: 24-27	Topic: Adding & subtracting decimals
Reading	Pages: Read Detective Nimble and the Falcon Fugitive p33-35 Answer Q36-39	Topic: Fact Retrieval & Inference Questions
Punctuation	Pages 22-25	Topic: Commas

REMINDERS AND IMPORTANT INFORMATION...

Well done Y6 for a beautiful Class Mass on Thursday. Thank you to those that came along.

Good luck to the Y6 netballers who are playing next Tuesday (after their match was postponed twice last half term due to poor weather) and footballers who are playing in the Nash Cup next Friday!

My child's response to the tasks.
