Number Task: Spring 1 Week 1

Name

(Y2)

### Number Work

This week in Maths we have been solving lots of problems!

Using the numbers 2, 4, 6 and 8 and the symbols +, - and =,  
What number statements can you make?

### Writing

This week in Year 2 we have been looking at New Year's resolutions, and as a whole school we are focusing on becoming more *independent*. I would like your child to write down a New Year's resolutions for themselves so that they can work on becoming more independent

(this might be making their own bed or maybe getting themselves dressed in the morning)

My child's response to the tasks.
