YEAR 2

SOFTWARE	SUMMARY	OBJECTIVES
Purple Mash 2 Code	Children continue to work through the Chimp category of 2 Code.	• Understand what algorithms are • Understand that programs execute by following precise and unambiguous instructions
Purple Mash 2 Email	Children retrieve digital content from email messages. They organise this content by making audio notes and by creating an information table. They also create their own content as they respond to and compose email messages.	**Rising Stars – 'We Are Detectives.'** • Understand that email can be used to communicate • Develop skills in opening, composing and sending emails • Gain skills in opening and listening to audio files on the computer • Use appropriate language in emails • Develop skills in editing and formatting text in emails • Be aware of e-safety issues when using email.
