### Dates for your Diary

**Friday 23<sup>rd</sup> May- Last day before half term**

**Congratulations to Ted P and Aoife- our Compassion Certificate winners this week!**

### Chicks

As some of you are aware, we have had the amazing opportunity to have some chicks in our classroom over the last 10 days. We have been learning about their life cycle. They have gone back today to go live on a big farm. It has been an amazing experience, and I am so proud of each child in reception for being so calm and patient with them.

### Sunny weather and uniform

As we are now approaching summer, we will be spending more time outside in the sun. We ask if parents could pack a sun hat and apply sun cream as well as bring this in their bag. The last thing we want to deal with is overheated children as that is not fun for anyone. Thank you!

### School in a Bag fundraiser

Thank you to everyone who came along to support the children in raising money for the new charity we are supporting, School in a Bag. The money raised is going towards supplying children with equipment they need for education. We hope you enjoy the spring bouquets the children have made.

**We have had an amazing week in Reception. Well done to everyone!**

**Have a lovely week, Miss Stringer and Miss Coupe.**
