

Home Learning

Year 3

Date: Friday 14th March

Our Gospel Value this week was integrity and our certificates were awarded to George and Sienna

We have had a lovely week of learning. In Geography we drew and labelled the parts of a volcano and learned about how they are formed. We have been writing our own versions of Space Tortoise in English this week. We followed the same story line but came up with our own characters, settings and ending. In Maths, we have continued to learn about fractions this week. We have been looking at equivalent fractions as bar models and on number lines. We have been continuing to practice our hockey skills in PE this week. Looking at passing, defending and having a go at a game. In Science this week we were labelling the parts of a plant.

RHE

This week we spent some time discussing how to be kind online. We talked about how we feel when people say unkind things online and why it's so important to be kind and not use bad language. We talked about how we can make sure we are kind and what we should do if people are not being kind

99 Club

Well done to Cohen, Alexis, McKenzie, Emilia, Leo, Juliette and Oscar for getting a 99 club certificate this week.

Trip

A Parent Mail will be coming out before Easter about a trip we have planned to Dorchester Museum and Roman Town House on Thursday 8th May. We will be asking for parent helpers on the Parent Mail so this is just a pre-warning!

Have a lovely weekend,

Mrs. Hutton, Mrs. Mulholland and Mrs. Miller

Home Learning Tasks		
Reading	TTRS	Spellings/Phonics
Please read at least 5x over the week. https://global-zone61.renaissance-go.com/welcomeportal/1892365	Please complete at least 15 minutes of TTRS.	Learn your spellings and use each word in a sentence.
