Home Learning	Reception		Date: Friday 14th March 2025	

Gospel Value- Integrity
Catholic Virtue-Hope

Dates for your Diary

Monday 31st March - Reception Vision Screening

Tuesday 25th March - Parents' Evening 1-6pm-Years Reception, 1, 5 and 6.

Congratulations to Henry E and Alfred - our Integrity Certificate winners this week!

Labelling Uniform

With children's uniforms, we would appreciate that if your child's uniform to have their names or initials in. This is mainly for Jumpers and coats, so we can make sure that if these get lost throughout the day, they will be returned to the child.

Bringing toys into school

We have had an influx of children bring in teddies and toys from home. When possible, we advise these stay at home as recently these things have been going missing/they are giving them to other children to keep. I appreciate this is hard to carry out, with some children getting upset if they cannot bring their toys into school, but we ask if they do, that they stay in their bags or trays. Children are also starting to give toys to each other to keep so I wanted parents to be aware of this and discuss whether this is okay or not.

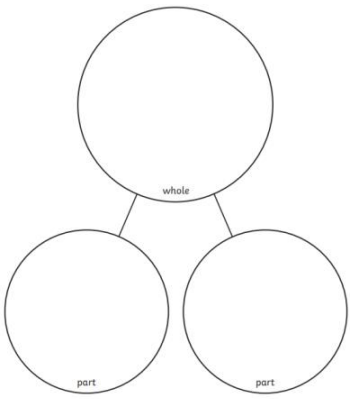
Well, done reception class for this week, you all worked very hard.

Have a lovely week, Miss Stringer and Miss Coupe.

Home Learning Tasks

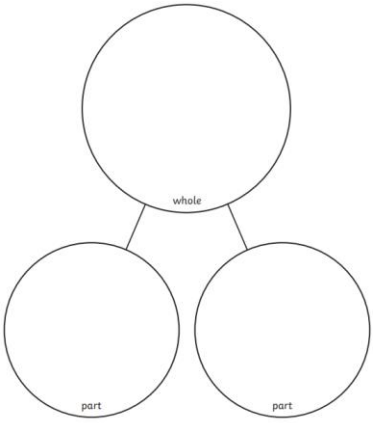
In maths we have started to learn subtraction and using part-part whole models to help us with this. Below are some basic subtraction questions that use their knowledge of number bonds to 10.

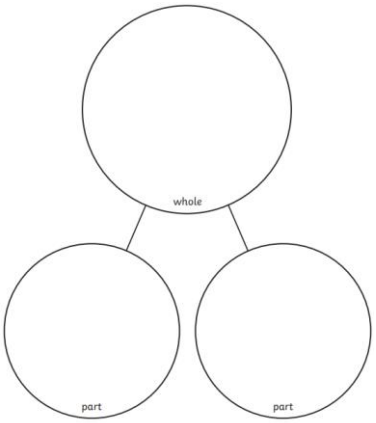
If the children with the party hats got off, how many are left?



How many children are left on the bouncy castle?

How many children are left on the bouncy castle?





Writing

Recently, we have started to look at using finger spaces and using Fred talk to spell words. Down below, I was children to draw a scene and write short simple sentence focusing on finger spaces
