- Year 2 have had an excellent week back after the Easter holidays. This week in English, we have begun to explore the book 'The Smartest Giant in Town' by Julia Donaldson and have been thinking carefully about the how to make the start of our sentences more interesting ready for writing our own short story in the next few weeks. In our Maths lessons, we have continued to learn all about measurement, focussing more on how we can measure liquids in millilitres and litres. We have also been exploring how to measure temperature using a thermometer. This half term in History, we are learning all about the great explorers, Christopher Columbus and Neil Armstrong. We began the topic by finding all about why people remember them and what they were famous for exploring.

On Wednesday, the children completed their Sponsored Scavenger Hunt to raise money for the charity "School In a Bag." The children had a great time completing the hunt! We are thrilled to hear about all the sponsorship that children have gathered. Please can we ask that sponsorship money comes into school next week to the class teacher. We will keep you updated about how much we have raised for the charity! Thank you so much in advance for all your support!
