- Please make sure your child comes to school wearing their P.E kit on a P.E day. Our P.E days are Wednesday and Thursday.
- Please send the reading record in daily (even when it is not book change day) so that we can record any reading that we do with your child
- It's been an excellent week this week in Year 2. First of all, a big thank you for helping us to raise so much money for our School in a Bag campaign through our sponsored scavenger hunt – your support is greatly appreciated. We kicked off this week with a visit from Lee from Mini Professors who led a fantastic and exciting science assembly all about 'Toilet Science!' The children LOVED every minute and learnt lots about how to protect our environment where toilets are concerned. The children learnt that only 3 things should be flushed down our toilets beginning with the letter P - Please quiz your child to see if they can remember what the 3 P's stand for! We have also started our new unit in Art where we have been exploring creating digital artwork using Sketchpad.io which the children really enjoyed! The website is free to use so please do encourage your child to have a go at home if they are in the mood for exploring the tools and creating their own digital artwork at home! In our Maths lessons this week, we have begun to look at fractions and have explored equal parts and recognising a half. Year 2 have also continued to develop their descriptive writing in English lessons through the use of expanded noun phrases and similes and have also been practising using a range of different sentence types to make their writing more interesting. Well done for another great week Year 2!
