Year 3

Date: Friday 14th February

Our Gospel Value this week was courage and our certificates were awarded to Oscar and Isla

This week the children have finished their Roman Vases. They worked really hard on the painting and looking at what a traditional vase would look like to make it similar with colour and texture. In Maths, we have been looking at adding and subtracting lengths. In English, we have finished *George's Marvellous Medicine*. We really enjoyed this book! We have written predictions, summarized chapters and enjoyed listening to the ending. In History this week we thought about what makes Ancient Roman so special and why it is an important time in History.

RHE

Children will reflect on their experiences of change now they are older. Further discussion on feelings around big changes will feature, and children will learn some coping strategies and explore how to prepare for new changes, including relying on the constancy of God.

Reading

Please ensure reading book and reading record come to school each day as we always do some silent reading straight after lunch. It is also extra important it is here on a Friday as Mrs. Miller checks through the books to see what reading has been done. We are trying to make the children responsible for this and ask that they remember but a little nudge would be helpful.

99 Club

Well done to Tommy, Charlie, Milo, Juliette, Oscar, Neve and Gianni for getting a 99 club certificate this week.

Half Term

We hope you have a lovely half term week! We hope the children can still practice spellings, do some reading and practice some timestables on TTRS during the week! Remember, Monday 24th Feb is INSET so we will see you on Tuesday 25th February.

Have a lovely weekend,
Mrs. Hutton, Mrs. Mulholland and Mrs. Miller
