Class Assembly

On Wednesday June 11th we will be having our class assembly. Everyone has been given 1 line to say, and this has been stapled to their home learning sheet. If they could practise over the half-term, we would appreciate it very much. On the day, if they do not want to speak, we will not force them and we will say their line instead.

Sunhats and suncream

Please could all children come to school with a named hat from now on (9th May) and can suncream be applied before school on the hotter days. We want to make sure they can have fun in the sun and still be protected.

Reception have done really well this term, and they should be very proud of themselves. We are proud of all the hard work they have put in!

Have a lovely half term! Miss Stringer and Miss Coupe.

Home Learning Tasks

In maths this week, we have been learning about halving. Can you help the queen bee half the bees?
