

## Phonics screening

Next week the children in Year 1 will be working on the Phonics Screening which we have already discussed with you. To help your child feel confident, here are some resources and ideas to help.

Go through the sounds shown below and on the next page and ask your child to say them as quickly as they can. You could make a game of this and set a timer or tell them you'll point in a random order and see how quickly they can recall them and maybe see if they can then better their time the next go!

I have attached the links for several phonic songs and have also included some word lists that you might like to go through with your child.
