Year 3

Date: Friday 13th June

This week, our gospel value was integrity. The certificates were awarded to Leo and Mckenzie

We have had another successful week. In Maths, we have continued to learn about time. This week, looking at durations and start and end times. In English, we have been learning about adverts and what language is used to persuade people to buy products. We had a go at writing our own rhetorical questions and planned our own advert that we will write and record next week. In DT, we finished off the unit by evaluating our tarts that we made last week. In Geography, we are looking at tourism around Europe. We looked at the Amalfi Coast and came up with reasons why people would want to visit there and what attracts tourists. We have started our new branch in RE this week. We have started by learning about the Jewish festival of Passover. We had a look at the Seder plate and what foods are on them. We drew our own plate and wrote the meaning of each item.

Maths

We have been learning to tell the time using digital and analogue clocks. The children have found the analogue clock particular tricky. It would be great if you could practice this at home. Using: o'clock, quarter past, quarter to, half past and telling the time to 5 minutes. Using phrases like '25 to 12' '10 to 3' '5 past 8' '20 past 6'.

RHE

In this session, children will learn about the wider Church and its mission to reflect the Holy Trinity through love for others. This session will also introduce the principles of Catholic Social Teaching (from 'Together For The Common Good'), which will be explored further in the next unit.

Sports Day

We are looking forward to seeing you at sports day on Wednesday 18th June. Remember to check ParentMail for more information.

Parent Mail

We are noticing that forms and information on Parent Mail are not being read/completed. The office are spending lots of time chasing. Please make sure you log into Parent Mail weekly so that you can see the newsletter and any other updates we may have sent. It is also important to read the newsletter as this is where dates and information is put.

Have a lovely weekend,
Mrs. Hutton, Mrs. Mulholland and Mrs. Miller

Home Learning Tasks		
Reading	TTRS	Spellings/Phonics
Please read at least 5x over the week. https://global-zone61.renaissance-go.com/welcomeportal/1892365	Please complete at least 15 minutes of TTRS.	Learn your spellings and use each word in a sentence.
