Sports day

I want to say a big well done to all the children that took part in our sports day this year as well as all the parents who came to watch. The children had so much fun, and it was a lovely time for everyone.

Book bags

Can we please make sure children are bringing in their book bags into school on a Wednesday and a Friday. We want to make sure the children don't get the same book each week and get bored.

Parent Mail

As you are aware we have the app parent mail. This is updated all the time with crucial information about any school events. If we could ask you to check on there at least once a day that would be very much appreciated.

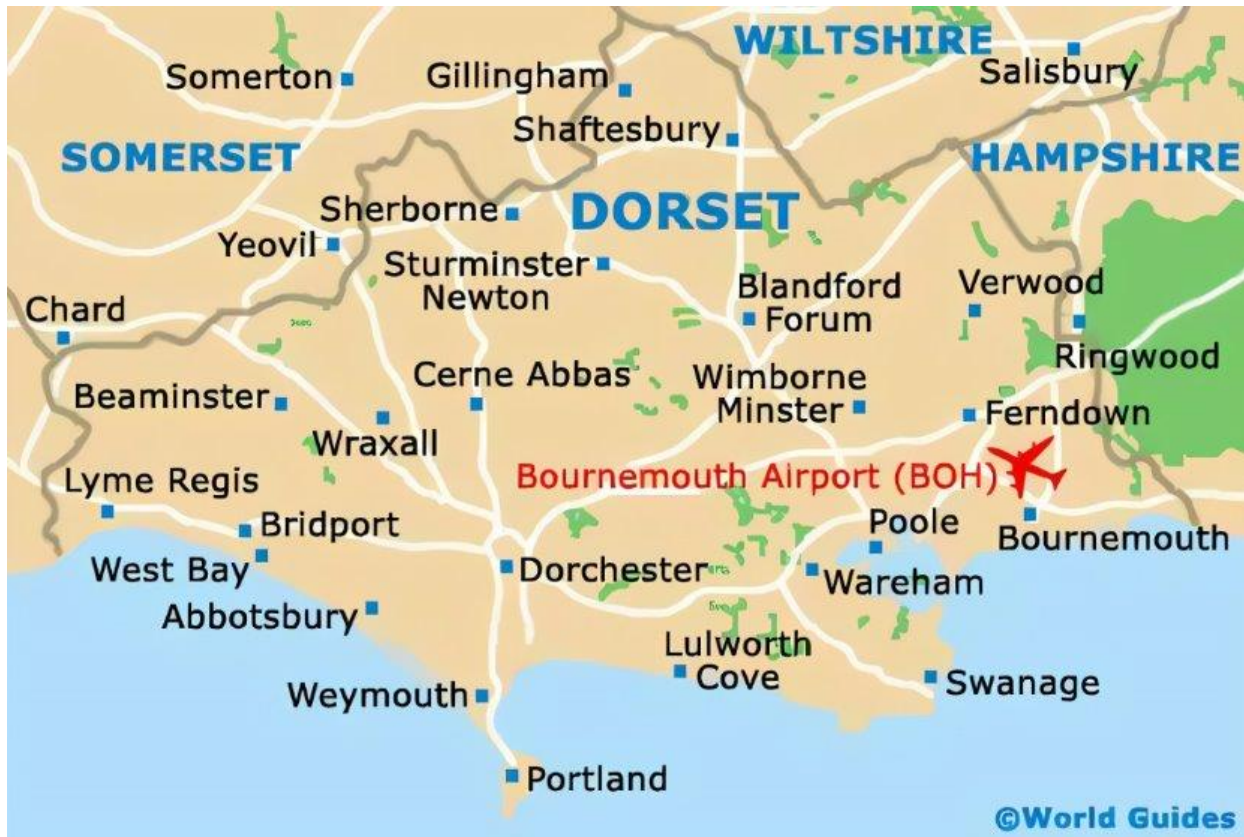

School Trip

This year Reception class will be going on a school trip to Lorton Meadows Tuesday 8th July! Lorton Meadows is a Conservation Trust located just off the Dorchester Road, Weymouth. On the day the children will arrive at school as normal in uniform, and we will have our morning lessons. Then, we will be collected by coach at 11am and with our packed lunches, will walk down to the Lorton Barn. The cost of this trip is free. I have secured very generous funding from the Mansel-Pleydell Trust for the coach fees and our very own school FOSA are covering the activity fee. The children will arrive and have a picnic lunch, followed by a Conservation Trust led pond dipping session. Then we will go on a mini beast and nature walk in the wooded area and orchard. We will then return to school by coach for 3pm and you can collect children as usual.

**Well done Reception you have really worked hard this week.
Have a lovely week! Miss Stringer and Miss Coupe.**

Home Learning Tasks

This week we have learnt that we live in Dorset! Children must circle Weymouth, and any others places they have visited in Dorset.

Can you write a sentence about where you live?
