#### School Trip

Just a reminder that Reception class will be going on their school trip Tuesday 8th July. They will be dropped off and collected at normal times. Please can children arrive at school wearing PE kit with long joggers/leggings and wellington boots on. They should also arrive with sun cream applied and a hat. Finally, they should bring in a small backpack with morning fruit snack and packed lunch. If you order through Food Links their packed lunch will be put in their backpacks for them.

#### Bringing items from home

We have had an increase of children bringing blue tac into school from home. Please can we make sure the children are not bringing this in, as it is starting to cause distractions during learning time.

**Well done Reception you have really worked hard this week. Not long left now!  
Have a lovely week! Miss Stringer and Miss Coupe.**

# Home Learning Tasks

In maths this week, we have been learning about time. We have been focusing on using key vocabulary like first, then and later. Get children to cut and stick what they do in the mornings and after school. Really focus on using vocab like first, then and later.

## My Morning Routine

**first**

**next**

**last**

## My Night Routine

**first**

**next**

**last**

Write a sentence about what you do in the morning/night using our time vocabulary!
