

Home Learning

Year 3

Date: Friday 27th June

This week, our gospel value was humility. The certificates were awarded to Lexi, Juliette and Sean

We have had another lovely week. In Maths, we have started a new unit on angles and measuring. We have looked at acute, obtuse and right angles and practiced using cm and mm on a ruler to measure lines and shapes. In English, we are starting a unit on poetry. Looking at free verse and rhyming couplets. In our Geography lesson this week, we thought about Bournemouth and its tourism. We considered what attracts people to visit there and thought about the human and physical features. In RE, we have been learning about Passover and relating this to the last supper. We did some acting and freeze frames and answered some big book questions.

RHE

Working together- This session builds on previous learning about jobs and work to consider why people do different jobs and the factors that influence job choices. Pupils will explore their own job aspirations and identify interests, skills and gifts that could influence their future decisions. Pupils will learn how nurturing our values can lead us to realise our God-given vocation to love and care for others, a calling that starts right now.

Non-Uniform Days

We have two non-uniform days- Thursday 3rd July and Friday 4th July this is in return for donations of chocolate and bottles.

Mass

We are so proud of the children for how they led the mass on Thursday. They read so clearly and conducted themselves brilliantly. Well done, Year 3!

Have a lovely weekend,

Mrs. Hutton, Mrs. Mulholland and Mrs. Miller

Home Learning Tasks		
Reading	TTRS	Spellings/Phonics
Please read at least 5x over the week. https://global-zone61.renaissance-go.com/welcomeportal/1892365	Please complete at least 15 minutes of TTRS.	Learn your spellings and use each word in a sentence.
