Happy Easter

Thank you for all your support this half term. The children are making super progress and we've had fun with our learning over the past few weeks.

Next Term

We're looking forward to next half term and will let you know in the first week back details about our new learning areas.

Phonics

Today you'll see that we have added some phonics sheets for you to look at with your child. These are the phonemes that we'd like our children to be secure with and then after the Easter Holidays we will send more phonemes for the children to look at.

Oxford Reading Owl Books

Every week we will continue to assign an online book (that is in line with their daily reading in school and you will be able to help your child read it and access online questions to check comprehension. We ask that you write in your child's reading record when you have shared the online book at home. We hope you and your child enjoy this extra excellent reading resource.

Please also remember to sign and comment in the reading log when you have shared your child's Read Write Inc. Book at home. This book is directly linked to your child's reading stage and is a home book that strengthens and reinforces the reading material your child accesses in their daily phonic lessons.

WOW Slips

Thank you for sharing your child's wow moments with us, the children are so happy to share these wonderful achievements with the class.

If you ever need any more slips, please let us know and we'll pop them in your child's bookbag.

Reading

We thank you for recording every time you read with your child at home in their yellow book.

The children will receive certificates and badges for reading 30, 60, 100 and 150 times.

We ask that the children's bookbags are in school **every Wednesday** in order for us to give them their new books. We thank you for your support.

Handwriting and Phonics Support

On the following pages we have provided you with resources to support your child's learning at home.

We ask that you take time to refer to these with your child on a regular basis to help them progress with their learning. If your child can read the 'red' words on the last page, please ask them to try to spell them. Thank you.

Home Learning Tasks

Reading	Times Table Rock Stars
<p>Please read at least 5 times over the week.</p> <p>Remember that from next Wednesday your child will start bringing home their books. Please remember to write in their reading journals so we can count their reads.</p> <p>Remember that in their daily phonics lessons the children participate in reading activities.</p>	<p>Times Table Rock Stars allows the children to practice their times tables. Children in Year 1 practise counting in 10s, 5s and 2s.</p> <p>PLEASE NOTE THE CHILDREN HAVE ACCESS TO ALL THE TIMES TABLES SO PLEASE CONTINUE TO HELP THEM DEVELOP THEIR SKILLS, especially if they are now on 33, 44 or 55 club.</p>

Maths Games

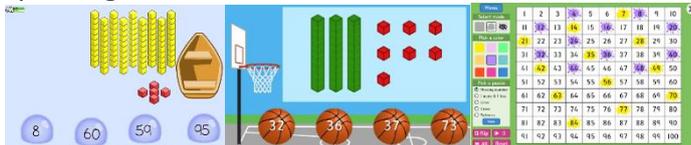

As part of their work on Counting in Tens and understanding Place Value, the children have thoroughly enjoyed the following games. Please have a play at home:

<https://www.topmarks.co.uk/learning-to-count/place-value-basketball>

<https://www.topmarks.co.uk/learning-to-count/paint-the-squares>

Splat square is a teaching tool that you can use at home, especially when working on your child's 2s, 5s and 10 times tables. The children can use the 100 square to 'splat' their multiples of 2s, 5s or 10s and spot the patterns they have made. It's also very good when identifying and splatting odd and even numbers.

Maths Songs

Here are some songs we sing in Maths that you may like to share at home to reinforce your child's understanding,
