

Thank you

It's been a busy half term and the children have continued to work very hard.

We thank all the parents that helped on our trip today. We had a lot of fun!

Phonics

Thank you to those of you that were able to attend our Phonics Screening Information Meeting this week.

If you were unable to come, please follow this link from the classes section of our school website:

https://www.staugustines.dorset.sch.uk/goto/184436?slug=home_learning-1

If you click on the link of page 2 of this presentation, you'll go to an information sheet giving you full information about the screening

On Page 4, you'll see a link to Past papers and this will then allow you and your child to access previous reading materials. Looking at these with your child will help them practice their reading skills and allow you to see how the screening is structured.

On Tuesday of this week we sent home some sound sheets for you to also look at with your child and below are

some examples of 'alien words' that have split digraphs. These are quite tricky so again, please have a look at these with your child as we have focused on these in class.

Home Learning Tasks

Reading	Times Table Rock Stars
Please read at least 5 times over the week . Remember that from next Wednesday your child will start bringing home their books. Please remember to write in their reading journals so we can count their reads. Remember that in their daily phonics lessons the children participate in reading activities.	Times Table Rock Stars allows the children to practice their times tables. Children in Year 1 practise counting in 10s , 5s and 2s. PLEASE NOTE THE CHILDREN HAVE ACCESS TO ALL THE TIMES TABLES SO PLEASE CONTINUE TO HELP THEM DEVELOP THEIR SKILLS, especially if they are now on 33, 44 or 55 club.
