Reminders:

- Please make sure your child comes to school wearing their P.E kit on a P.E day. Our P.E days are Wednesday and Thursday.
- Please send the reading record in daily (even when it is not book change day) so that we can record any reading that we do with your child
- We've had a fabulous week of learning in Year 2! In Maths, we have been continuing our learning on fractions. We have been looking at halves, quarters and thirds. We have also been finding out how to halve and quarter different amounts. In English, the children have planned and written some wonderful short stories where they have been focusing on their interesting sentence openers and expanded noun phrases. We enjoyed some sorting activities in Science this week. We had to work out whether something was living, dead or never alive. The children have also enjoyed improving their digital art skills in our Art lessons – this week, we had a go at recreating some of Piet Mondrian's famous artwork using Sketch Pad. Miss Howard was really impressed with the children's perseverance and outcomes! In History, Mr. Boucher stepped into the role as 'Neil Armstrong' and the class came up with some very thought-provoking questions about his journey to the Moon. Another excellent week – well done, Year 2!
