Dear Parents and carers

Another busy week comes to an end and it is pleasing to see the children showing great stamina in what is a long and action packed half term. In English we are using our Whole Class Reading text 'Holes' to inspire our persuasive writing and the children have been working hard over the last week to create persuasive adverts for a variety of products. In maths we have moved from negative numbers to tackling the conversion of units and measures and in RE our focus has been upon the theme of 'stewardship' and how we as individuals and collectively can work to preserve the fragile beauty of the world around us. Finally, in Geography, building upon last week's study of biomes we have been looking at how flora and fauna have adapted to survive in their environment.

Can we remind you all, on Monday 7th July Years 5 and 6 will take part in a day of sailing, details have already been sent out but please ask if there are any aspects of the day that need clarifying.

NB. Can we please remind you that the majority of school communication is sent out via 'Parentmail'. Please ensure you are checking this regularly for important updates and additionally the portal can be used, to both sign consent forms, and provide payment for extra-curricular activities.

At the end of each book please use the login at the back of the Reading Record to take the AR Quiz (at home) before changing your book the next day. | Please complete at least 15 minutes of TTRS twice a week. | Learn your spellings and use each word in a sentence. |
