Welcome

It's been lovely welcoming the children into Year 1. They have shown great enthusiasm for their learning and are adapting to new routines very well

Thank you to everyone that took time to help their child send postcards and create pictures for our class bear, Sidney. It's been a joy to share these with the children.

Please keep these coming.

Thank you to those of you who were able to attend our Meet the Meeting. If you were unable to attend, the Powerpoint Presentation will shortly be placed on our website for you to access.

Reminders:

1. Please remember that we have PE lessons on Mondays and Fridays so on these days the children will need to wear PE kits suitable for the weather.
2. Please remember that Wednesday is book changing day every week. Please bring the book bags in this day so that we can issue the RWI book your child has read at school along with 2 reading for pleasure books from our class library, chosen by the children.
3. Please note that we will be continuing to learn about toys this half term in History so if you have any toys that you or your parents played with as children, a request will be going out for us to borrow these over the coming weeks.
4. In RHE next week, our session is called, Girls and Boys.
The children will learn:
 - That our bodies are good
 - The names of our body parts (not genitalia)
 - That girls and boys have been created by God to be both similar and different, together making up the richness of the human family
5. In the front of their reading record books, the children have log in information for Times Table Rockstars which helps them learn about repeated addition and times tables and also Oxford reading Owl which links directly with the books issued for Read, Write, Inc. The books given next Wednesday will also be issued online and every Wednesday from then on.
