	Date: 19.09.25	

Reminders:

Tapestry

You should have now received your activation links for Tapestry via email. If you haven't please let me know. Please feel free to share any of your children's WOW moments at home with us on there as well as any exciting activities or home learning they have been completing. We look forward to sharing these with the class!

We will also be posting on Tapestry each week to give you an idea of what the children have been up to in class as well as any particular WOW moments.

PE

Our PE days are Tuesday and Friday. On these days, children should come into school wearing their PE kits. They do not need to bring a uniform with them as they will stay in their PE kit for the day. Please still send in with coats for break times.

Encouraging your child

Now the children are at school we really want to support them with their growing independence. What we ask is for your help with this. In Reception children are expected to collect their own things at home time: bag, coat, lunchbox, snack pot, drink and book bag. The children on the whole are doing well with this but lots need

support with putting the things into their bags. If you could, at home, practice doing this with your child so they know how to pack their bag and can feel successful in doing so.

Book bags

Please can we ask that where possible, **book bags are in school every day**. They need to be taken out of your child's bag and then they can walk into class with them and place into their tray which is inside the classroom. Thank you for your cooperation.

Home Learning Tasks	
Reading	Phonics
Please read your child's books they bring home with them and any others they have at home. Please record each time they read in their reading diary. Reads will be counted from Friday 20 th September. Children can earn certificates and badges as their reads increase.	Please see the homework task below linked to what your child has been learning this week.

Phonics Homework

This week, the children have learnt the sounds m,a,s,d, t. This week's task is to practice writing these sounds in as many ways as possible again. This could be with chalk outside, in sand or shaving foam, or with pens, pencils or paint. You could even make the sound with playdough! Upload pictures of your activities on Tapestry or bring in any writing so that we can celebrate it during WOW time!
