

Home Learning	Year 1	
	Date: Friday 19 th September	

<u>Thought for the Week</u> Gospel Value- Integrity Catholic Virtue-Hope
--

Thank you

Thank you so much for your support so far this year. The children have worked very hard throughout this week and are getting used to our new routines.

It was lovely to see those of you who could attend at our Year 1 Meet the Teacher Meeting last week. If you were unable to attend the powerpoint that was presented will be uploaded to the school website for you to read.

As mentioned at the meeting, on Wednesday 17th September, we issued our first Oxford reading Owl books for our class. New books were issued that are pitched at your child's reading level. We ask that you make use of this online resources, as every week, a new book will be issued. (I put both the books that your child has worked on this week as we didn't issue any books last week.) If you have any issues accessing these materials, please let myself or Mrs Axten know and we will aim to solve any problems.

Reminders:

1. Please remember that we have PE lessons on **Mondays and Fridays** so on these days the children will need to wear PE kits suitable for the weather.
2. Please remember that **Wednesday is book changing day every week**. Please bring the book bags in this day so that we can issue the RWI book along with 2 reading for pleasure books from our class library, chosen by the children.
3. Please note that we will be continuing to learn about toys this half term in History so if you have any toys that you or your parents played with as children, a request will be going out for us to borrow these over the coming weeks.
4. In RHE next week, our session is called, 'Clean and Healthy-My Body'

Children will learn:

- That our bodies are good and we need to look after them
 - What constitutes a healthy lifestyle, including physical activity, dental health and healthy eating
 - The importance of sleep, rest and recreation for our health
 - How to maintain personal hygiene
5. Please note there is a timetable change. Relationships and Health Education (RHE) lessons will now take place on Fridays. Art and DT will now be taught on a Tuesday.

Home Learning Tasks		
Reading	Times Table Rock Stars	Spelling

<p>Please read at least 5x over the week.</p> <p>We read daily with the children in their Read Write Inc. sessions and together with reading at home 5 times a week, this will have a great impact of reading progress throughout the year.</p> <p>We thank you for your support.</p>	<p>Please complete at least 15 minutes of TTRS. Please note that with access to Times Table Rock Stars, we would like you to look at counting in 10s and the 10s times table with the children. We Count in 10s in class and this will be a good starting point for our Year 1 children.</p>	<p>Every week we will be sending home spellings for you to go through with your child. These are words that will aid your child in their composition of sentences and are frequently used words. We will have an assessment of the spelling of these words in class on a weekly basis so please do practise with your child. The more the children practise, the more confident they will become. Thank you for your co-operation.</p> <p>Autumn Week 3 Spellings</p> <p>be me she and of</p>
